PARTNER PROGRAM

FOR STRUCTURAL ENGINEERS

Your report is the start. *The repair is next.*

Homeowners need a vetted Pro to carry out the work you specify. Send them to GOLDGCP, and bring the contractors you trust to GCP Pro.

30%	$50	20%
of each plan payment, 12 months per Pro	per homeowner job you refer	off for the Pros you invite

WHY STRUCTURAL ENGINEERS PARTNER WITH US

Help clients get the repair *done right.*

Who can do this repair?

Foundations, framing, beams, retaining walls: point homeowners to up to 3 vetted, licensed, insured Pros.

Your scope, in writing

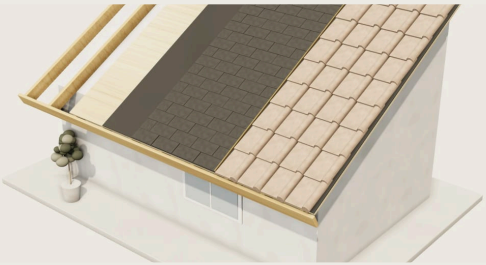

Pros send written estimates. The homeowner compares them against your letter or drawings before choosing.

You stay independent

You do not pick a contractor. The homeowner compares up to 3 and chooses.

Earn on referrals you already make

30% of each plan payment for 12 months per Pro you refer, plus $50 per homeowner job.

THREE WAYS TO EARN

You already make these introductions. *Now they pay.*

Refer a Pro

A home-service business joins GCP Pro through your link and is approved.

30%
of each payment, 12 months

Refer a homeowner

They ask for quotes through your homeowner link, hire a GOLDGCP Pro, and the job is confirmed.

$50
per job

Give your partner code

Pros who enter it get 20% off their first 3 months, and are credited to you.

20%
off for them

Free to join. You get your own links, a partner code and a dashboard with clicks, referrals and earnings.

HOW YOU GET PAID

WHAT ONE REFERRAL CAN EARN

Recurring, *month after month.*

PRO'S PLAN	PER MONTH	OVER 12 MONTHS	WITH YOUR CODE
Starter $199/month	$59.70	$716	$681
Growth $399/month	$119.70	$1,436	$1,365
Elite $799/month	$239.70	$2,876	$2,733

Examples at 30% of the plan price. You earn on what the Pro actually pays: with your code, their first 3 months are 20% lower, and so is your share of those months.

+ $50 for every homeowner you refer who hires a GOLDGCP Pro, once the job is confirmed. One bonus per request.

- Commissions are held 30 days (this covers refunds), then paid monthly once you reach $50.
- Referrals are remembered for 90 days; the first referral counts.
- Homeowners never pay GOLDGCP. Pros pay a monthly plan and a success fee only on jobs they win.
